

09:00-18:00	Simulator course – LAA closure tbd Requires a separate registration. To register please send an e-mail to: office@isiic.pl
09:00-12:00	IVUS&FFR course (Polish) Dr n.med. Radosław Parma, Medical University of Silesia, Katowice, Poland Dr n.med Tomasz Roleder, Medical University of Silesia, Katowice, Poland
12:00-13:00	Lunch 
13:00-13:30	Opening address Prof. M. Tendera, Chairman of the ISiIC Scientific Committee, Prof. J. Kaźmierczak, National Consultant in Cardiology
13:30-15:00	Session 1 - Imaging in PVL closure Chairmen: L. Poloński, C. Ruiz, M. Tendera, Panelists: J. Białkowski, R. Gil, T. Hirnle, M. Jasiński, M. Krejca
13:30-13:50	Featured lecture: The Future of Fusion Imaging for Structural Heart Disease Interventions, <i>Carlos Ruiz, Lennox Hill Hospital, New York, USA</i>
13:50-14:05	PVL: case-based lecture, <i>Marcin Demkow, Institute of Cardiology, Warszawa, Poland</i>
14:05-14:20	Our experience in PVL closure, <i>Grzegorz Smolka, Medical University of Silesia, Katowice, Poland</i>
14:20-15:00	Live case - PVL closure <i>Marcin Demkow, Institute of Cardiology, Warszawa, Poland,</i> <i>Grzegorz Smolka, Medical University of Silesia, Katowice, Poland,</i> <i>Piotr Pysz, Medical University of Silesia, Katowice, Poland</i>
15:00-15:30	Coffee break 
15:30-17:20	Session 2 - Echocardiography in structural heart interventions Chairmen: Z. Gaśior, K. Mizia-Stec, Panelists: A. Gackowski, T. Kukulski, P. Hoffman, P.S zymański
15:30-15:50	Closing septal communications - the role of echocardiography, <i>Andreas Hagendorff, University Hospital AöR, Leipzig, Germany</i>
15:50-16:10	Periprocedural guidance and detection of complications in transcatheter mitral regurgitation intervention, <i>Joao Cavalcante, University of Pittsburg, USA</i>
16:10-16:30	Echocardiography in paravalvular leak closure, <i>Piotr Pysz, Medical University of Silesia, Katowice, Poland</i>
16:30-16:50	LAA closure - the role of echocardiography, <i>Jarosław Kasprzak, Medical University, Łódź, Poland</i>
16:50-17:20	Live case - PVL closure <i>Jaroslav Januska, Hospital Podlesi a.s., Cardiac Centre, Trinec,</i> <i>Grzegorz Smolka, Medical University of Silesia, Katowice, Poland,</i> <i>Piotr Pysz, Medical University of Silesia, Katowice, Poland</i>
17:20-18:15	Session 3 - Imaging in TAVI intervention Chairmen: A. Bochenek, D. Dudek, M. Jasiński, Panelists: S. Bartuś, R. Parma, A. Sukiennik, A. Wester
17:20-17:40	What I need for successful TAVI procedure?, <i>Axel Linke, Herzzentrum Leipzig, Germany</i>
17:40-17:55	New TAVI devices - less imaging?, <i>Dariusz Dudek, Collegium Medicum UJ, Kraków, Poland</i>
17:55-18:15	Interpreting 3D imaging for aortic valve stenosis assessment, <i>Joao Cavalcante, University of Pittsburg, USA</i>

09:00-10:30	Session 1 - Imaging in coronary interventions <i>Chairmen: M. Gašior, M. Zembala, Panelists: J. Bartunek, J. Hill</i>
09:00-09:15	Physiologic assessment or invasive imaging, <i>J.Bartunek, Heartcentrum OLV Aalst, Aalst, Belgium</i>
09:15-09:45	Live case - Multilevel stenosis and FFR <i>Radosław Parma, Medical University of Silesia, Katowice, Poland, Przemysław Żurek, Medical University of Silesia, Katowice, Poland</i>
09:45-10:00	OCT in chronic total occlusions, <i>Jonathan Hill, King's College Hospital, London, UK</i>
10:00-10:30	Live case - IVUS imaging in LM stenting <i>Wojciech Wojakowski, Medical University of Silesia, Katowice, Poland, Tomasz Roleder, Medical University of Silesia, Katowice, Poland</i>
10:30-10:45	Coffee break 
10:45-11:45	Session 2 - Imaging in coronary interventions <i>Chairmen: M. Deja, A. Lekston, K. Reczuch, Panelists: P. Buszman, L. Räber, G. Smolka</i>
10:45-11:00	OCT in assessment of stent healing, <i>Lorenz Räber, Swiss Cardiovascular Center Bern, Switzerland</i>
11:00-11:15	Imaging in LM interventions, <i>Paweł Buszman, Medical University of Silesia, Katowice, Poland</i>
11:15-11:25	NIRS imaging, <i>Tomasz Roleder, Medical University of Silesia, Katowice, Poland</i>
11:25-12:00	Live case - IVUS imaging in LM stenting <i>Wojciech Wojakowski, Medical University of Silesia, Katowice, Poland, Mariusz Skowerski, Medical University of Silesia, Katowice, Poland, Radosław Parma, Medical University of Silesia, Katowice, Poland</i>
12:00-13:00	Session 3 - How to optimize the LAA closure? <i>Chairmen: K. S. Gołba, T. Kukulski, Panelists: S. Dobrzycki, J. Kochman, G. Smolka</i>
12:00-12:15	Case based presentation - The role of imaging in implantation of ACP, <i>Witold Streb, Medical University, Zabrze, Poland</i>
12:15-12:30	How to turn imaging into practice? - Invasive cardiologist perspective, <i>Marcus Sandri, Herzzentrum Leipzig, Germany</i>
12:30-13:00	Live case - LAA closure <i>Marek Grygier, Medical University of Silesia, Katowice, Poland, Adam Sukiennik, Medical University, Bydgoszcz, Poland, Olga Trojnarska, Medical University, Poznań, Poland</i>
	Closing & Certification
